3) Lead Magnet Placement Strategy (Best Fit)

Primary lead magnet

Free Mini Profiler

Place on:

- Homepage hero (primary/secondary CTA placement depending on page focus)
- Mid-page and final CTA

- Profiling page top section

Reason: strongest alignment to your method and natural bridge to clarity call/full profiler.

Secondary free magnets

5-Step Leadership Reset

Place on:

- Exit intent popup / sticky footer
- Blog posts
- Resources page
- Thank-you page after mini profiler opt-in

Boundaries Blueprint

Place on:

- Lead From Within™ page
- Burnout/overwhelm-related content
- Email nurture sequence (email #2 or #3)

Paid lead magnet

Self-Leadership Workbook (Paid)

Place on:

- Resources page
- Post-opt-in thank-you page (tripwire option)
- Email nurture soft pitch

Avoid as primary homepage CTA — keep homepage focused on free mini profiler and clarity call.

---

4) CTA Hierarchy Rules

Use **one primary CTA per page**:

- Home: Book a Clarity Call (with Mini Profiler as clear secondary)
- Mini Profiler page: Take Mini Profiler
- Coaching pages: Book Discovery/Clarity Call
- Workshops page: Enquire About Workshops
- Resources page: Download / Buy resource

Keep secondary CTA subtle and supportive.

---

5) Suggested Funnel (Simple + High Conversion)

1. Visitor lands on homepage
2. Takes **Free Mini Profiler** or books a **Clarity Call**
3. Thank-you page invites **Book Clarity Call**
4. If not ready, offer:
    - 5-Step Leadership Reset OR
    - Boundaries Blueprint
5. Nurture emails build trust
6. Convert to:
    - Full Profiler
    - Coaching package
    - Workshop enquiry

---

6) Navigation Recommendation (Top Menu)

- Home
- About
- Work With Me
- Profiling
- Resources

- Workshops
- Book a Call

Button style for menu CTA: **Book a Call**

---

7) Quick Implementation Priorities

Priority 1 (this week)

- Finalise homepage with clear CTA hierarchy
- Publish Work With Me overview + offer pages
- Publish Workshop enquiry form

Priority 2

- Build Resources page with 3 free/paid magnets
- Add thank-you pages and cross-offers

Priority 3

- Add nurture emails + testimonials + blog content

---

8) Copy Consistency Guardrails

- Tone: warm, grounded, practical, empowering.
- Avoid hype and jargon.
- Speak to outcomes: clarity, confidence, alignment, sustainable growth.
- Keep sections concise; mobile-first readability.
- Repeat key transformation language consistently.
- No pricing shown on website pages.
